District Industries Centres

2260. SHRI K. VASUDEVA PANICKER: Will the Minister of INDUSTRY AND COMPANY AFFAIRS be pleased to state:

(a) the number of District Industries Centres in the country and the number of such centres in the State of Orissa;

(b) wheher the functioning of the District Industries Centres are reviewed by the Central Government from time to time;

(c) if so, whether the performance of the District Industries Centres has been found to be satisfactory; and

(d) if not, what steps are proposed to be taken by Government to streamline the functioning of these centres?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY AND COMPANY AFFAIRS (SHRI ARIF MOHD. KHAN): (a) There are 397 District Industries Centres covering 410 districts in the country. In Orissa State there are 13 DICs.

(b) Development Commissioner (Small Scale Industries) Monitors the programme.

(c) On the whole, Yes, Sir.

(d) Does not arise.

Lack of safety measures in Gujarat State Fertilizers Corporation

2261. SHRI CHIMANBHAI MEHTA: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether Government are aware that Gujarat State Fertilizer Corporation situated near Baroda is facing a danger of "pollution explosion" or leakage of poisonous gases in several plants of the fertilizer complex;

(b) whether Government's attention have been drawn to "Gujarat Samachar" daily newspaper's report dated the 22nd July, 1985 regarding dangerous accidents likely to occur; and

(c) whether Government are also aware that Gujarat State Fertilizer Corporation Officers' Association has filed a writ petition regarding anticipated dangers arising out of inadequate or lack of safety measures in different plants in view of non-responsive attitude of the management?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI VEERENDRA PATIL): (a) to (c) Reports have appeared is the Gujarat press of allegations made in a writ petition filed before the Gujarat High Court by GSFC Officers' Association alleging *inter alia* that the GSFC plants near Baroda are unsafe and there is fear of dangerous accident taking place there which could affect other plants in the neighbourhood and that in spite of their representation, the Management have not taken suitable action etc.
